COLORPACK

The most convenient solution for colour ribbons dedicated to Flat Head printers!

Colorpack is easy to order

Colorpack offers you the flexibility to purchase only the products you want when you want them.
Thanks to packaging containing only 10 ribbons per box = unit of order.

Colorpack ribbons supplied with your next order of 50 rolls minimum.

Colorpack is available with a wide choice of width and length combinations

- **Widths: 60, 90, 110 mm**
- **Lengths: 150, 300 m**
- **Inking: Inside or outside**
- **Core: 1 inch cardboard core, 4 notches**
- **Popular ribbons on stock***
- **Colours: See "Colour Range"***

* Exhaustive list of Colorpack part numbers is available on ARMOR Extranet

Colorpack for WAX, WAX/RESIN and RESIN applications

Colorpack is available in a continuously evolving palette of colours, giving you the opportunity
to offer colour products for all applications. Wax (AWR®), Wax/Resin (APR®) and Resin (AXR®) products
are all featured in the Colorpack range.
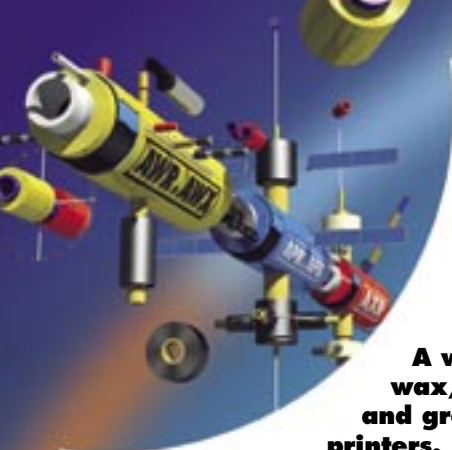

Colorpack gives a maximum compatibility

Colorpack has been created to give maximum compatibility with the conventional head printers
available on the market today.

SPECIALLY DESIGNED FOR FLAT HEAD PRINTERS
